Crypto Congress (\$CNGRSS) Meme Launch Roadmap

Introduction:

Welcome to the official launch roadmap for Crypto Congress (\$CNGRSS), the revolutionary crypto project bringing governance, memes, and financial power to the blockchain! Our mission is to empower the community with humor, engagement, and decentralized innovation. Here's how we plan to dominate the crypto meme space and beyond.

Phase 1: Foundation & Community Building

- Logo Creation & Branding: Complete with vibrant and engaging visuals.
- Social Media Channels: Launch on Twitter, Facebook, LinkedIn, Discord, Reddit, and TikTok.
- Community Challenges: Host meme contests and reward creators with \$CNGRSS tokens.
- Airdrop Campaign: Distribute \$CNGRSS to early adopters and meme enthusiasts.

🌙 Rewards are auto-claimed & AIRDROPPED to the Top 50 holders

🌙 Stay in the Top 50 to earn rewards, simple

🌙 Devs earn ONLY if they hold —no tolerance for ruggers

🌙 Track airlock.sol to see rewards distribution. SOL is airdropped & tokens are burnt

🌙 Exclusively for coins bonded to @Metora. The Metora LP reward fees are set as follows: Start: 3%, +4hrs: 1.5%, +24hrs: 0.25%. Learn more about fees in Metora's [docs](#)-
Influencer Partnerships: Collaborate with meme lords and crypto influencers.

We snapshot the current top 50 holders just before each airdrop. These top holders share 90% of the rewards. In the example below, wallet starting with 58u.. holds 11.55% of the total supply which means she'll be eligible for $11.55\% \times 90\% = 10.39\%$ of the rewards. The creator wallet EBsc... is eligible for $9.7\% \times 90\% = 8.73\%$.

Milestone: Reach 10,000 \$CNGRSS holders and 50,000 active followers across platforms.

Phase 2: \$CNGRSS Token Launch

- Tokenomics Release: Publish details on \$CNGRSS token supply, utility, and rewards.
- DEX Listing: List \$CNGRSS on Moontok, DEXscreener, DEX Tools.
- Liquidity Pool Rewards: Incentivize liquidity providers with bonus \$CNGRSS.
- Governance Voting: Introduce decentralized decision-making for community-led initiatives.

Milestone: Achieve \$10M in trading volume within the first 30 days.

Phase 3: Meme Ecosystem Expansion

- Meme Marketplace Launch: Build a platform for creators to mint, sell, and trade memes as NFTs.
- Meme Mining Program: Reward community members for creating viral content.
- Partnerships: Collaborate with top-tier NFT and crypto projects.
- Merchandising: Roll out Crypto Congress-themed merch for our supporters.

Milestone: Secure partnerships with 5+ major crypto projects and onboard 1,000 meme creators.

Phase 4: Real-World Utility & Global Domination

- Charitable Donations: Use \$CNGRSS to support global causes.
- IRL Meme Events: Host conventions and meetups for meme enthusiasts and crypto advocates.
- Cross-Chain Integration: Expand \$CNGRSS to Ethereum, Binance Smart Chain, and beyond.
- Crypto Congress DAO: Transition governance fully to the community.
